SIZE REALLY DOES MATTER!

NEW & IMPROVED FORMULA

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of ALL NEW TESTRONE X-TREME have been shown to increase both testosterone and nitric oxide in the blood. Commonly known as the "Viagra of the Amazon", Muira Puama is a powerful ingredient known to help increase blood flow to the penis. In so doing it expands the vascular system and interior cavities making your erection larger and harder. PLUS Tribulus Terrestris which has been used in traditional Chinese and Ayurvedic cultures for thousands of years. Only the best ingredients of the highest quality are ever used in our formulations.

Frauleins mit steins – GROUSEN!

HEIL TITZENBOOZEN!

Our two favourite food groups come together in Oktoberfest

THE Germans didn't invent beer. Nor do they hold the copyright on TITS.

But by DER FÜCKEN HELL, they know how to combine the two in the knees-up known as Oktoberfest!

Right now in Munich they'll be hosing away the spew outside the beer tents and trying to retrieve the thousands of BRAS flung up trees as the two-and-half week party winds to an end.

About 8 million litres of WUNDERBAR beer will have been swilled, countless GERMANIC NORKS ogled, and millions of SAUSAGES SUCKED.

OK, the leather shorts and the bum-slapping dances are a bit GAY, but hey, these days who cares?

So if anyone tells ya that the Germans don't know how to have a good time, tell 'em to get well and truly GERFÜCKENED, and be SCHNELL about it. The Picture

DEFYIN GRAVIT

Jana Defi's norks give the laws of nature the arse

YOU could travel the world over and not see a finer pair of SEX PILLOWS than Czech model Jana Defi's astonishing G-cup beauties.

As a matter of fact, we reckon with a bit of promotion they could be major international tourist attractions, like the Eiffel Tower, or the Big Pineapple.

Yep, they're that good – G-cup monuments to all that is wonderful about tits.

They're all her own work, too, which was doubted by some cynical bastards when she first started appearing in the Pommy papers and men's mags.

Eventually, she went to the trouble of getting a big-time plazzo-surgeon in LA to examine her and a radiographer to do a sonogram of them to prove they were DINKY-DI.

MORE OF JANA'S
MILKERS THIS WAY

Once that was settled, there was nothing left to do but sit back and say to ourselves – what a wonderful fucken world!

Beautly, Jana loves them just as much as we do and reckons they're a bloody good asset in the sack.

"There are lots of things you can do with them," she says.

Yeah, we know. Like the ol' SAUSSO SANDWICH!

"It's not my personal favourite, but I know that men like tit-wanks, and you can't do that if they're small."

OK, so what's YOUR favourite thing about them?

"I love watching them bounce around when I'm on top. It looks so horny. I think all women like to be on top, it's a great place to be in control and it feels great."

Plus the view's better! Picture

LOS ANGELES!

Even Lana Kendrick can't believe how big her hooters are sometimes, so she has to get out the tape measure and check. It's confirmed – they're enormous!

LOS ANGELES!

Who knows why Seppo porn star Lana Rhoades was visiting her local pharmacy? But we'll take a guess – we reckon it was to stock up on mouthwash.

SEATTLE!

Seppo model Lillias Right knows that her tits require good nutrition to maintain their healthy boobiness, so she takes them out for a nourishing lunch every day.

NEWS FLASH

THIS SHIT REALLY HAPPENED!

MAG SNATCH

WE WARNED you about the magpie menace – and we were right on the money! One of the black and white BASTARDS has swooped down and nicked a woman's hearing aid in a daylight robbery in Townsville. Jane O'Neil was walking to the shops when the feathered fiend struck. "The next thing you know there's a magpie behind me and it started attacking my head," she said. It's probably gunna flog Jane's $6000 device on eBay!

BEER IS AGELESS

BRAINY scientists have brewed beer using the methods from a 13,000-year-old brewery found by archeologists in a cave near the Israeli city of Haifa. They reckon the drop, originally brewed by a tribe called the Natufians, is a bit thin and shitty and not much like VB, more like Seppo suds actually, but it represents what beer was like in the olden days. "It's the oldest record of man-made alcohol in the world," said one of the science blokes, which is enough reason to declare the cave a SACRED SITE, we reckon.

FLOGGED!

THIS is a real pub bet winner: what's faster over 400 metres, a Kawasaki H2R, a Tesla P100DL, an Aston Martin New Vantage, a Lotus Evora GT 430 or a F-16 jet? Turns out it was the MURDERCYCLE, which thrashed all the opposition in a head-to-head fang-off on a runway at Istanbul airport in Turkey. To be fair, the F-16 was somewhat handicapped because it had to stay on the ground.

ROBO COCK

HOORAY for formerly dickless Pom Andrew Wardle! Andy, 45, born with NO COCK due to a shit condition called bladder exstrophy, underwent a 10-hour op to install his new $80,000 bionic prick, made from chunks of skin and muscle from his forearm, plus some nifty machinery that allows him to get stiffies at the press of a button. He had to wait six weeks before having a root – his first ever! – with his girlfriend Fedra, but said afterwards. "It's fantastic! After all Fedra and I have been through, it's the cherry on the cake." Snerk!

We've got the ambo on speed-dial

ONLY USED TO DRIVE TO CHURCH ON SUNDAYS

ONLY ONE OWNER

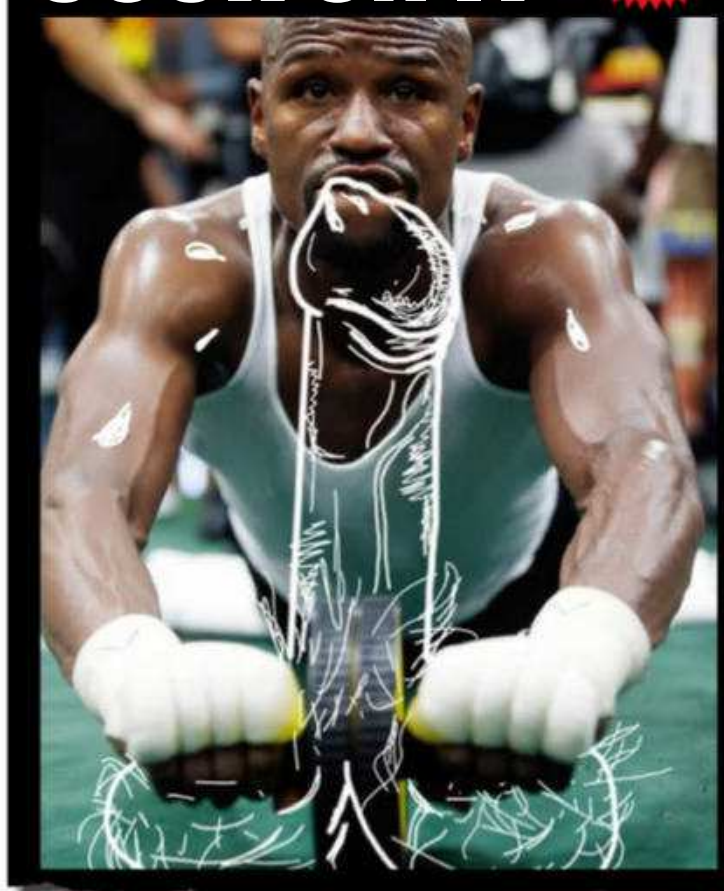
POMMY norks-out model Taylor Rose hates to waste anything, so when she had her meal-tickets bumped up to an implausable 30H, she put her old G-cup implants up for sale. "I had no idea people were interested in things like this, but when I said I was going to have another operation I started receiving offers," she reckons. "I thought, why not?" Last we heard, the top offer for her oldies was around A$2800. "I have no idea what someone will do with them," says Taz. "Maybe put them on the mantelpiece?" That's a bit unimaginative, love – what about a bit of SELF-MOTORBOATING?

It makes all the chicks wet themselves

THE 160 KM/H SHED

SHED lovers, prepare to lose your SHIT. Genius Pom Kevin Nicks has bumped up the donk in his high-speed shed to 450hp and at press time was preparing to BUTT-FUCK his own world shed speed record of just over 160 km/h. He was gunna open the throttle and go for broke at Pendine Sands in Wales. God be with you, son.

WE DREW A COCK ON IT #328



A GIRL NAMED JEFF

Dead set, that's what she calls herself

WE'VE known many great Jeffs in our time – Australian fast-bowling great Jeff "Thommo" Thompson, Jeff Horn, the toughest school teacher alive, that dozy guy from The Wiggles, to name but a few.

And there are heaps of others. Everyone knows a Jeff, right?

Anyway, they all pale in comparison to Jeff Milton, the cuter-than-a-pile-of-puppies Ukranian model you're perving on right now.

Altogether now – PHWOOAR! Gulp. Sproing!

But JEFF? It'd be a bit of a boner killer if she wasn't so incredibly cute and hot and spunky.

Fuck knows how she came up with her professional name, but the 24-year-old from Kiev formerly known as Xenia Semiokhina has stuck with it throughout her five years of ripping off her duds and posing for the camera.

If nothing else, it shows impressive grit and determination, so good on her.

Along with her perfect B-cup titlets, her pink and perky SMOOGINA and her little bum that we'd gladly eat our lunchtime sangers off, Jeff's feisty character makes up a package of incredible fappability.

But if any of your mates ask, best not let on you've been cracking a diamond-cutter over someone called "Jeff". You might get some funny looks. Picture

SIST

Gary Santos

SISTERS are always arguing. At least that's our experience. Whose vodka is it, who borrowed whose undies, who gets to drive the ute – the rows go on forever.

So it's nice to meet sisters who get on like Alycia and Nina, a couple of champion Aussie escorts whose love of nudity and the cock keeps them as close as two hot, horny siblings can be.

So you two are OK about hangin' out together in the nuddy?

ALYCIA: "We love it! I could look at Nina's booty all day."

NINA: "We never wear clothes at home and always chill in the nude."

What's the best thing about your sister's body?

ALYCIA: "All of it! I can't

TER ACT!

Alycia and Nina can put on a show you won't believe!

“WE ALWAYS SHARE GUYS!”

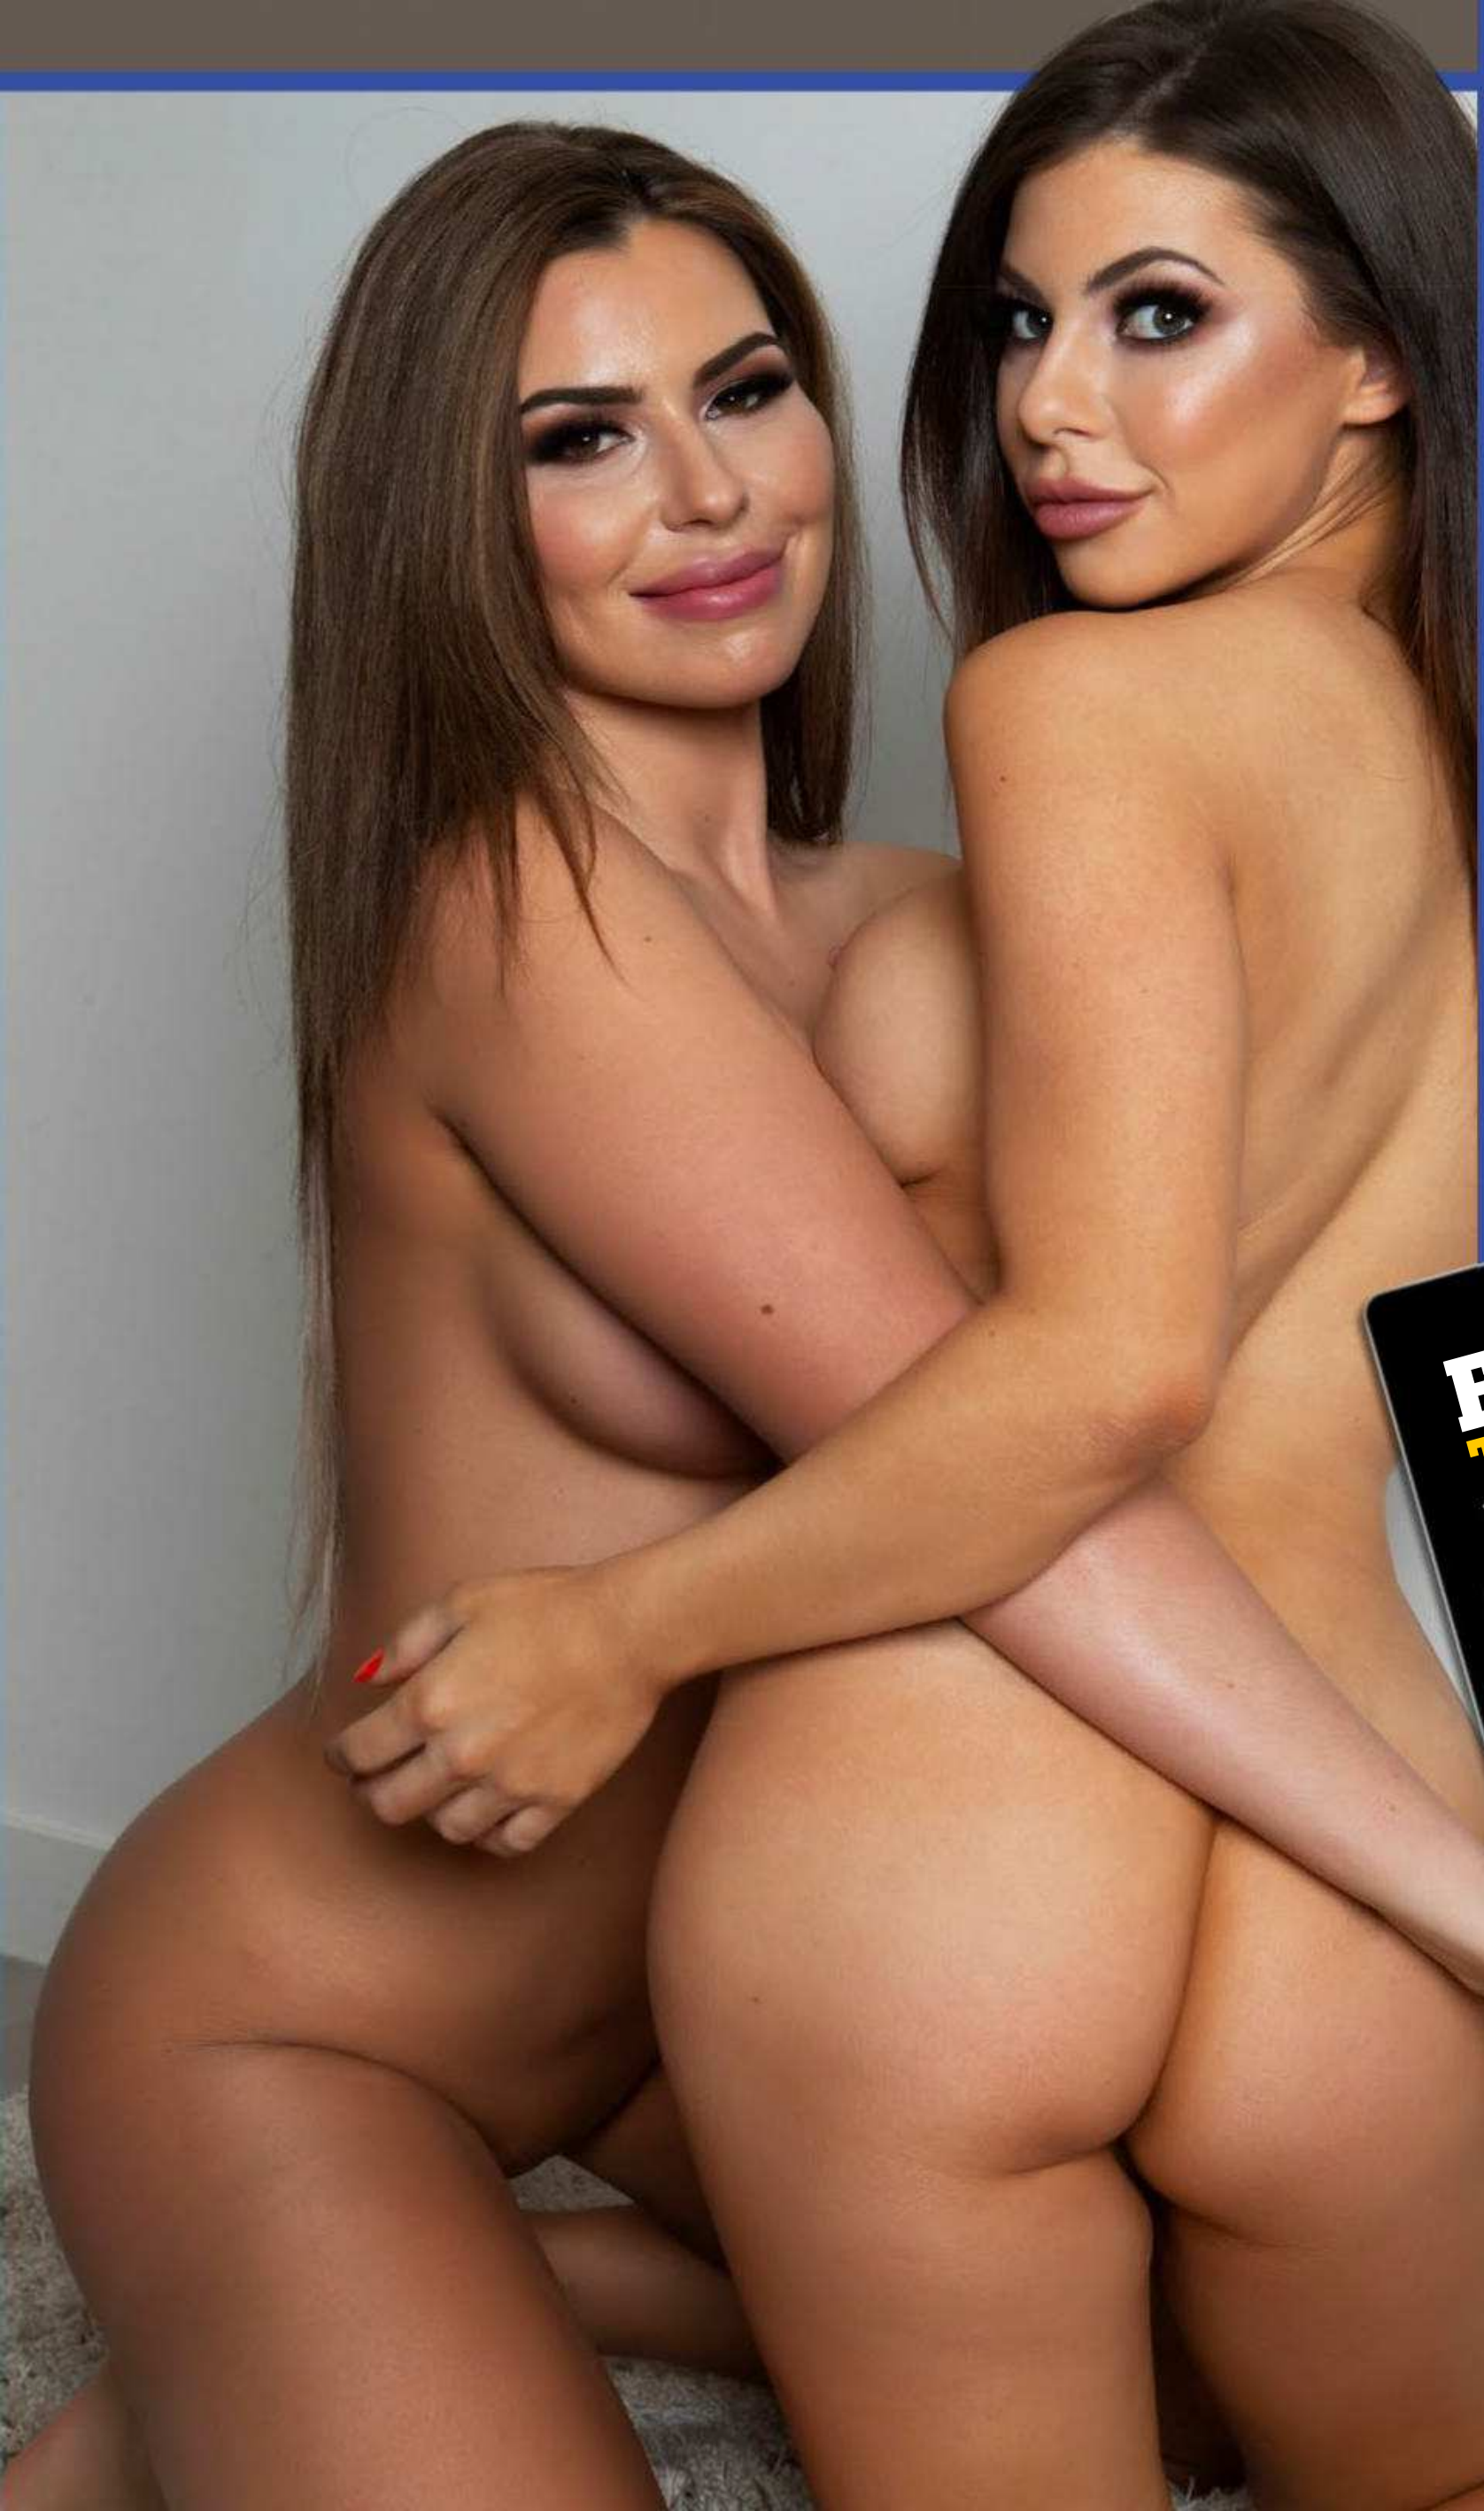
pick one thing! She is blessed with a perfect round booty which matches her big, bouncy knockers. And she has a toned little tummy, eyes that kill and lips that wrap perfectly around a cock."

NINA: "I love everything about Alycia's body. It's petite and toned and perfect. A cute arse and perfect tits, but what I love most is her vagina. It's the prettiest vagina I've ever seen. No joke."

We weren't laughing. Do you share your men?

ALYCIA: "We share everything!"

NINA: "We always share guys. I love watching Alycia



have sex! It really turns me on."

So you go for the same sort of blokes then?

ALYCIA: "Definitely, that's why we share!"

NINA: "We both love guys with a sense of humour and someone that can hold a decent conversation."

What are your best moves?

ALYCIA: "Our cock sandwich is always a favourite."

NINA: "We love playing with our toys. You're welcome to watch or join in."

What's the strangest request you've had in the line of duty?

ALYCIA: "I don't think we class much as strange. We're very open-minded and love to get new wild and crazy requests."

NINA: "We often get requests to wear matching outfits, like sexy schoolgirls or nurses. It's all good fun."

It sounds like it. Geeze, we bet Chrissie lunch is fun at your place!

BLOKES – are you uglier than a hatful of arseholes? Got a crooked hooter, wonky teeth and ears like car doors?

Don't let it get ya down, 'cos there's every chance you'll come up trumps in the card game of life like Pom Darren Donaghey.

Back in 2014 Daz won a two-week holiday in Greece in a 'Punching Above Your Weight' radio competition for being hooked up with his blonde stunner of a girlfriend, the phwooar-worthy Kate.

Now, happily married to Kate with two rugrats, Daz has done it again – he's won A$1.8 million on a scratchie!

When he won the comp, Daz said he was always copping shit from people about his TOTAL ARSE in landing Kate.

"It's not unusual to be out together and other guys to start chatting Kate up, thinking that I couldn't possibly be with her," he reckoned.

"Even when we are out shopping I get these funny looks from blokes and I know what they're thinking."

Yeah, but let's face it, Daz does have a boatrace like a sad armadillo – after it's been HIT BY A CAR – and Kate's a fucken KNOCK-OUT, so you would wonder.

Beautly, Daz plans to use the scratchie dosh to buy a new house for the family, as well as chuck some at charities for autistic kiddies 'cos both his are affected.

Sounds like Daz is kinda BEEYOODIFUL on the inside, eh.

He's still a bit uggo on the OUTSIDE, but. Picture

"Wow, that's amazing!" the doctor says.

"Did you follow my instructions?"

The blonde nods...

"I'll tell you, I'd thought I was going to drop dead that third day."

The guy says, "75 cents."

I said, "I was just kidding."

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at: https://twitter.com/ThePictureMungo

TAKE IT, BABY!

GOTTA love our neighbours in Bali, they sure know how to sell a chocolate. I wonder what the full fist feels like.

Cheers,

R.C., PORT HEDLAND, WA

MUNGO SAYS: I can't imagine any choccy lovin' chick knockin' back a finger when confronted with this. Mm-mm, they'd say. Giz a finger. Giz two fingers. Giz three! But any of 'em that asked for all four, you might have second thoughts about. That's just being greedy.

MORE APRIL PICS, PLEASE!

MUNGO, you asked for who we want to see back in the mag, my suggestion is Seppo porn star April O'Neil. She's hardly been in the mag since you ran a few pics of her years ago, but I think she's one of the best looking porn sheilas ever. She had great natural tits AND a bush. Please give us some more of April!

M.H., DEE WHY, NSW

MUNGO SAYS: I dunno why we haven't had more of April in the mag, she was one of my faves, too. Cute as a bug's ear, and twice as sexy. But it just so happens our good mate Angela White was gettin' sticky with April recently and dropped us this pic of them together on set. We'll try and get some more of April, with her beaut bush and all, in the mag soon.

WHERE'S THE LOVE?

MUNGO, the man-bashing is fucken out of control when a sheila comedian can get a laugh just by saying, "I hate men," like Aussie stand-up Hannah Gadsby did at the Emmy awards. Do you reckon a bloke comedian would get a laugh by saying "I hate women"? I reckon he'd be fucken lynched. I'm getting sick of feeling like I have to apologise for having a cock. Where's the love, Mungo?

K.G., GRAFTON, NSW

MUNGO SAYS: Mate, I feel ya pain. Sometimes I find it hard to even get off the couch, I feel so weighed down with all the hatred. Or maybe that's just my breakfast burrito. Or the fact I'm a lazy cunt. Nah – it's the hatred! But I won't allow it to bring me down to their level. I'm a bigger man that that. I'm not gunna be baited into hating anyone. Except parking cops, obviously. And Karl Stefanovic. And the bloke who dinged me Valiant. But everyone else – including the Gadster – I love youse all!

LETTER OF THE WEEK
WINS $200

EVERY LETTER PRINTED WINS $50

LETTER WITH A PICTURE WINS $100

WHAT WOULD LILY DO?

I HAD a brainstorm when I saw Carly from Parramatta, the Homie from #1467, 'cos I thought she looked like the Pommy singer Lily Allen. She was out here recently promoting her book where she tells about fucking chick hookers and the bloke from Oasis. Then I read Carly telling about her sex life and I thought, yeah, that sounds like something Lily Allen would do.

S.H., BANKSTOWN, NSW

MUNGO SAYS: Ahem. Carly said: "I've had a foursome with another couple and we swapped partners and occasionally we'd take a break and I'd make-out or go down on the other girl while the boys watched..." Would Lily do something like that? I'd l ike to think so. Once you've hired lezzo hookers and fucked Liam Gallagher, and then told everyone about it so you can flog a book, anything's possible.

SHE'S A WINNER

MUNGO, my preference for a return appearance would be the beautiful Becky from issue #1457. This girl has it all – perfect tits, lickable bum, and she's a ranga! What more could you want? She deserves an encore appearance.

A.R., CABRAMATTA, NSW

MUNGO SAYS: What more could I want? Well, her dad could own a brewery. She could have a PhD in lawn-mowing and a master's degree in gutter clearance. I mean, can she do the 100 metres to the bottle-o in 10.2 seconds and make it back before the chill goes off the beer? Nah, don't mind me, I'm just being narky. She's fucken lovely. Here's another crack.

MUNGO WANTS TO KNOW...

If you had to construct the perfect spunk from the body parts of all your favourite PICTURE hornbags, what would you pick from who to make your dream woman? Tell us, and we'll build her for you.

SICK PICS

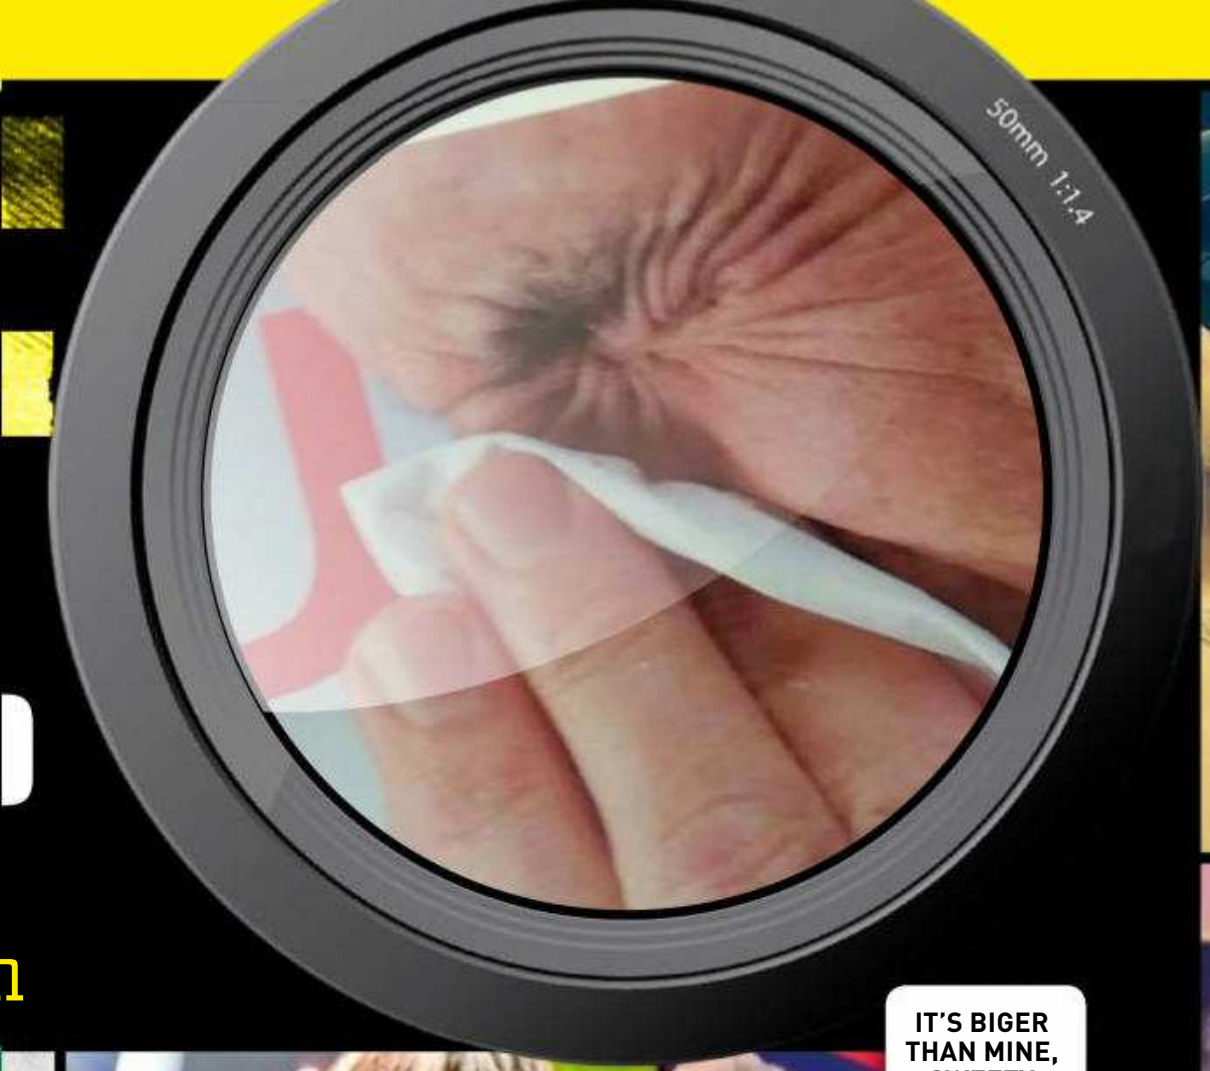
YOU WON'T BELIEVE YOUR EYES

RIDE ON

BULL riding is not the kind of sport that you wanna take a lie down while you're doin' it. Those bulls, boy, they don't play nice. Even after you've DE-BULLED in the middle of a ride and they're free to fuck off back to their stable or wherever they go to relax, they're liable to come back and smash you in the back just 'cos. Here's Aussie rider Matt Boland about to get a free lumbar adjustment at the Cunnamalla Fella festival in Queensland couple of years ago. No worries, but – a hot bath and some Dencorub and he was OK.

WTF IS THAT?

Things ain't always what they seem



Just helping out a mate with an itch

Forget doggy style – let's spoon!

Holly Gibbons is up for some bum fun

SHE TELLS YOU HOW TO DO IT RIGHT!

TO SAY that Pom stunna Holly likes copping it in the blurter would be a massive understatement. She LOVES it. But you can't just shove it in there.

"The key with anal is to start off very, very, very slowly," explained the highly boontable 28-year-old model who has caused a WANKING EPIDEMIC in the UK. "And foreplay is very important too."

Should we pay any attention to your PLEASURE DENT?

"Yes, start off with vaginal sex. Kissing me, stroking my breasts and rubbing my clit is very important, too."

And then do you get all, "Smash in my backdoor, mate"?

"No, then I like the man to tell me what he's going to do next –

"PLEASE USE PLENTY OF LUBE"

HOLLY

#1467 PIN-UP

“RUBBING MY CLIT IS IMPORTANT”

starting off by putting one finger in my arse, and then another.”

Keep talking. Keep talking.

“And then with the sex part, the most important thing is to start slowly and put it in a little at a time. And please use plenty of lube.”

Are you up for one-nighters with Aussie blokes?

“No, I’m not into one-night stands. I’ve generally been in a relationship, so I haven’t had the opportunity for that sort of thing. Sorry.”

We had to ask. Your biggest turn off is...

“Men who can’t kiss. The worst is when they use too much tongue and start dribbling all over you and licking your face. How does that happen? Everyone should make it a priority to learn how to do it.”

And your biggest turn on?

“I like it when a man takes charge and tells me to sit in front of him on my heels. Can you imagine that?”

Oh, we’re trying, Holly. We’re trying. Picture

MY WORST FUCK

READER'S ROOTS FROM AROUND OZ

QUEASY RIDER

I WAS looking to having my first root since my motorcycle accident and spending two weeks in hossie.

I'd been pitching a tent under the sheets for days, so when my girlfriend Lorraine came to pick me up and told me she was hot for a fuck too, I could hardly wait to get home and get my dick wet.

I had a fractured pelvis and leg, a few chunks out of my face and bumps and bruises all over me, and the docs had told me to take it easy until they could see how things were healing up. But when you're 21 you don't give a rat's arse.

So we got back to my place and Lorraine helped me out of my jeans and lay me down on the bed. So far, so good.

She gave me some gentle head to get me ready – also good – then straddled me, shoved my cock up her waiting twat and started rocking back and forth.

And that's when the pain started. Every time she slid forward it felt like someone was kicking me in the hip with steel-capped boots, and when she slid back my leg felt like it was gunna snap.

Not only that, the sweat started stinging every little wound on my body.

But I was determined to get one off, and she seemed to be enjoying herself so I gritted my teeth and kept going.

When she gave a particularly vigorous shove with her hips I nearly passed out from the pain, so I suggested we change possies. We tried missionary, but I could get any traction, and spooning was just as bad, so we chucked it in and she gave me a combo hand/blowjob, which was average.

I had to wait weeks before I could fuck her properly. It was good when it finally happened, but.

R.C., RANDWICK, NSW

MAD, BAD AND DANGEROUS TO KNOW

I WAS stoked when I picked up this chick at a party – she was good-looking, had a bangin' body and was raring to go.

So we jump in her car to go to her place, and that's when I first realised she might be a bit mental. She drove like a maniac, screaming foul shit at anyone who honked at her. Not nice.

Anyway, we get to her share house and we buzz past her housemates without even stopping to say hello. We pile into her bedroom where there's a bar-fridge and a stereo, and she pours us a schooner of wine each and cranks up some thrash metal to a deafening level. Then she buries her head in my crotch and gives me the most savage blowjob I've ever had.

I'm thinking, "This chick's gunna actually bite my dick off," when one of her housemates starts banging on the door and telling her to turn the music down.

She screams at them to get fucked and turns it up louder. Then she tries to jab a finger up my freckle.

I jump like a scalded cat and she cackles weirdly and stands up to strip off. Then I see the tattoos – the grim reaper, a pile of skulls being gnawed by rats, a guillotine. Not a dolphin to be seen.

I'm thinking, "I'll just fuck her and leave," so I bar up bravely and start giving it to her, which is difficult 'cos she's shredding my back bloody with her fingernails.

The music's pounding, the housemate is bashing on the door, my back's bleeding like I've been whipped and I just wanna leave. Luckily she gets distracted yelling at the housemate about how she was gunna kill them, so I chuck my clothes on and bolt.

I hope no-one I know tells her my name or where I live. I'm scared of her.

PRETTY VACANT

AS A single woman I don't mind a one-night stand with a random pretty boy. I drag them home, fuck their brains out and chuck 'em out the next morning. But every now and then, one makes me think, "Why did I bother?".

I should have known he'd be useless – he was a male model, and told me he'd been in a couple of fashion shoots, like it was going to impress me.

But I'd already cracked a wide-on over his admittedly hot bod, so I stuck my tongue in his ear and whispered the magic words, "I want to fuck you." As dumb as he was, he got the message.

He sat there fiddling with his iPhone as I drove him home, and when we got to my place, first thing he did was ask if I had any Evian water so he could wash his face.

I finally got him into bed and stripped him off, only to find he had a fake tan and the sort of muscles that you only ever get in a gym. I doubt he'd ever been outdoors under the real sun in his life.

He squirmed while I sucked his cock, but after a while he seemed to settle down. Then I noticed he's been pretty quiet for a while, so I looked up and saw he was playing with his iPhone again.

I grabbed it out of his hand and chucked it on the floor and thought I'd better get his dick inside me before he started crying, but after all my hard work in getting his cock ready, he immediately started losing his erection, leaving me to deal with a limp noodle.

I managed to get it half way hard again and push it inside me, but when he started to whine about finding his phone, I'd had enough. I chucked him out and had a wank instead.

DARA // 21

KINGSWOOD, NSW

"I like everything about my body," says this 21-year-old YOONI student. "Although, I wouldn't mind bigger boobs." ***Yours are perfect! How's your sex life?*** "It's OK. I'm more into romance than hooking up with random people. I want a man who can show me a good time." ***Will a sixpack of VB do the job?*** "No, like proper romance. And if he's good with that I'll give him the best sex of his life." ***What's your secret move?*** "I'm really good at giving head. Every guy I've ever been with says it's my special skill." ***With great power comes great responsibility. What's your favourite rooting possie?*** "I like it when he sits on a chair and I straddle him."

WHAT IS THE WEIRDEST NICKNAME YOU'VE HEARD A GUY GIVE HIS COCK?

"The bull, because most people don't last ten seconds."

"I like the thought of being seen nude"

IVY // 27

BRONTE, NSW

"My boyfriend and I couldn't resist each other any longer after a drinks date," says 27-year-old model Ivy. "He took me by the hand and led me to some nearby bushes where we started going at it. It was so sexy how he had to have me then and there, without any regard for where we were or who might see us. Thankfully, the bushes provided good coverage." ***Sounds fun.*** "I definitely have an exhibitionist streak in that I like the thought of being seen nude. I did have a private Snapchat account that fulfilled my exhibitionist side, so that's fun. I haven't ever filmed myself doing it but maybe one day, with a trusted partner, I might want to. It could be really fun to watch back in my own time, on my own, or with a partner as a form of foreplay." **WHAT IS THE WEIRDEST NICKNAME YOU'VE HEARD A GUY GIVE HIS COCK?** "Little Miss Strawberry Cupcake, and Sir Thrustalot."

MEGAN // 25 & ASHLEY // 22

Sisters Ashley, 22, and Megan, 25, had fun nuding up together. **Megan:** "To be honest it was better than I thought it would be and was kinda fun, I thought it would be awkward, but it just wasn't." **Ashley:** "It was different. Good different. It was fun, and it was good to see her come out of her comfort zone." ***So you had to convince Megan to strip with you?*** **Megan:** "I wouldn't say she had to convince me; more encourage, just due to my own self-esteem and body issues I have at times." **Ashley:** "It was something I suggested to her a while back." ***Are you generally happy to get nude together?*** **Megan:** "Generally OK. We're the type of girls who have no problem getting changed in the same room, asking whether certain lingerie looks better or if anything seems wrong with certain body parts."

WHAT IS THE WEIRDEST NICKNAME YOU'VE HEARD A GUY GIVE HIS COCK?

Ashley: "Pussy Magnet."
Megan: "Probably Princess."

OLIVIA // 24

NORTH SYDNEY, NSW

You reckon you've had some weird requests in bed? Betcha 24-year-old Olivia has heard worse. "A guy once asked if he could urinate in my mouth." ***How did it taste?*** "I didn't let him." ***What does turn you on?*** "Seeing two men together." ***Have you had many threesomes with two guys?*** "Maybe about 15 or 20. There are a lot of females who would love to have a MMF threesome but they are ashamed to say they want it." ***Why stop at two blokes?*** "I have never had more than two guys at once." ***Ever had an FFM threesome?*** "Yes and a FMFM, MFFM and MMFF. All accumulated over a four-year period." ***We think we understand...*** **WHAT IS THE WEIRDEST NICKNAME YOU'VE HEARD A GUY GIVE HIS COCK?** "I've actually never had a guy give his penis a nickname."

LANA // 23

GOLD COAST, QLD

"I'm after a guy who knows what he's doing," this 23-year-old student explained. ***Like how to change a tire?*** "No, like how to make me orgasm. Some guys are useless and some are really good." ***Can you give us any hints on what gets you going?*** "I love it when they go down on me. A tongue on my clit is the best feeling in the world." ***How often do you like to root?*** "Every day of the week if it's possible. I think I wore my last boyfriend out. We used to have lots of sex, but then he would just play computer games all the time." ***So you're single at the moment?*** "Yes. That's part of the reason why I've posed nude in this magazine. Hit me up, guys." **WHAT IS THE WEIRDEST NICKNAME YOU'VE HEARD A GUY GIVE HIS COCK?** "Little Mike."

They say the way to a man's heart is through his stomach, but 25-year Sophia reckons you have to aim a little lower. "Suck a guy's dick everyday and he'll stick around forever," explains the raunchy retail assistant. ***Have you got a good gobbies technique?*** "Of course, you don't earn the nickname 'The Cock Whisperer' by not knowing how to deepthroat a dong!" ***What a fantastic nickname, Sophia. Who calls you that?*** "Just my girlfriends – it's a little in-joke we have." ***Alright, back to the technique – how do you do it?*** "It's really as simple as using a lot of saliva and gagging a lot. Even if you don't have to gag, just pretend, because it makes the guy feel good and think he has a really big cock." ***You're sneaky, but we like you.***

JOSIE // 35

$150 MILF HOMIE

"I've taken a lot of nude photos of others"

The first time someone snapped a pic of 35-year-old florist assistant Josie, she was 19. "It was by my boyfriend at the time." ***His loins are probably still stirred by the memories. Since then what are some of the most explicit things you've been photographed or filmed doing?*** "That's an interesting question." ***Exactly why we asked it, Josie.*** "I don't think that a photo being explicit necessarily makes it more interesting or more sexy. Some of my favourite shots have been where something has been implied, something that lets a person's imagination draw the conclusion." ***We were hoping for a more direct answer, like, 'Here is the URL to my porn films.' Taken many nude photos of other people yourself?*** "Yes, a lot." ***Good to know your hands are busy somewhere in the vicinity of a camera.***

ABBY ROSE // 23

MELBOURNE, VIC

We pride ourselves on scouring the land for ladies who embark on serious intellectual pursuits. Then we ask them to show us their tits. Take Abby Rose, 23, who's into reading – and flashing her funbags. What a woman. "My favourite book is the Kama Sutra." ***You read it for the articles, no doubt. So what's your favourite position?*** "Reverse cowgirl; it gives me more control." ***Have you reverse cowgirled with more than one person?*** "Um, no, but I would with another girl if the opportunity came up." ***Been one-on-one with a girl?*** "Yep, with a colleague when we were supposed to be working." ***We hope you clocked off before copping off. What is your favourite part of your body?*** "My boobs; they're big." ***What do you like people to do to them in bed?*** "Lick them." ***Ever cover them in ice-cream to encourage that?*** "Um, yeah."

"Reverse cowgirl gives me more control"

DIESEL // 22

MELBOURNE, VIC

Diesel is a 22-year-old MILF of two who likes to "go out clubbing with the girls". ***Do you all drag lucky punters off the dance floor and take 'em back home?*** "Most of us have boyfriends, so no." ***Bugger. The most unusual place you've been starkers is…*** "The main street of Castlemaine." ***That's more like it. Booze must have been involved, considering the town is named after a beer.*** "No, I don't drink. We just decided to do a nudie run." ***Did the locals HOOT and HOLLER with approval?*** "No, it was about two in the morning. No-one saw." ***Bugger AGAIN. Has being a MILF put the stoppers on your sex life?*** "No. It helps if you haven't stayed with the person you had them with." ***Great advice.***

LACEY // 20

CAIRNS, QLD

When it comes to group sex, 20-year-old spunk Lacey reckons "the more the merrier for me". ***What's your ideal gender-split when it comes to these multi-partner frolics?*** "Two girls and one guy." ***Why's that?*** "I think girls are more fun in particular." ***What do the ladies do better in bed?*** "I think girls will always be more playful – not being biased – especially if they're not used to being around other girls." ***Is there anything you prefer a bloke to do when he has you between the sheets?*** "Guys are better because they have more control. It's a dominance thing with most guys, which I like." ***How can a bloke get your attention to get you in bed?*** "No-one can disagree that eye contact is easily the most intimate and distracting thing." **WHAT IS THE WEIRDEST NICKNAME YOU'VE HEARD A GUY GIVE HIS COCK?** "The Punishment."

RACH // 23

EAGLEBY, QLD

Rootable Rach, 23, digs being starkers as much as we dig drinking piss. "I really love being in front of the camera for some reason," she told us. "It just turns me on. I can't really explain it." ***What else gets you gagging for it?*** "The thought of guys looking at me nude. I guess I'm a bit of a tease." ***Where's the weirdest place you've done the deed?*** "At a public swimming pool. I have no idea how we got away with it, but it was fun. I also christened a friend's truck when I was dancing in Australia." ***He must've loved that!*** "Yes. I like men who are rowdy and fun. And hopefully they like me." ***That's a big ten-four, good buddy!***

WHAT IS THE WEIRDEST NICKNAME YOU'VE HEARD A GUY GIVE HIS COCK? "Tyler Durden."

ELLYSE // 26

DOCKLANDS, VIC

"It's exciting, liberating and feels like I'm making art," says 26-year-old porn actress Ellyse. "I love making porn, although when I watch my own clips I usually just end up giggling. My big kink is getting paid to have sex. It turns me on immensely. I'm lucky to have made a career out of it." ***What's it like to have a root in front of a camera crew?*** "Being filmed is so much fun. It adds a whole new element to fucking. You're always thinking about what looks good on camera; will someone enjoy watching this." ***With those big tits bouncing around, it's a good chance they are.*** "My favourite scene was my hardcore scene with Ryan James for my website. I really wanted to produce something that was a bit more rough and messy than mainstream vanilla scenes. I smile every time I think about it."

WHAT IS THE WEIRDEST NICKNAME YOU'VE HEARD A GUY GIVE HIS COCK? "Men don't tell me their nicknames for their manhood, but maybe I should start asking."

We all need ambitions in life. Just ask this 21-year-old French backpacker here. She's got a corker. "I want to have a threesome with two guys while I'm out here in Australia. And I want to do it with guys that I'll never have to see again." ***Why's that?*** "I like the idea of it being mysterious." ***Have you ever thought about doing porn?*** "Yes, but I'm not sure I'd like my family knowing about that. My brother watches a lot of porn and he'd be sure to see me. That'd be so weird." ***What kind of blokes are you keen on?*** "I love men who are good with their hands and a bit rough around the edges. They've gotta take care of themselves too and smell nice." ***Thanks for going in Home Girls!***
